# $\frac{Minutes\ of\ the\ 43^{rd}\ Annual\ General\ Meeting\ held\ at\ the\ University\ Track,\ Wilberforce\ Road,}{Cambridge\ at\ 8pm\ on\ Monday\ 22^{nd}\ November\ 2004}$

Apologies:

1. Minutes of the 42<sup>nd</sup> AGM 24<sup>th</sup> November 2003 were approved.

2. Matters arising from the minutes

The Composite team with Huntingdon Athletic Club in the Southern Womens League has not been very successful due to organisation problems so the two Clubs have decided to separate the teams again.

# 3. Chairman's Report

The chairman explained about the money in the Investment Account. This is made up from money left to the Club in the will of an old member and also money saved for new headquarters. The University would not allow us to build headquarters on the site, and as we have the use of their very good facilities this was no longer necessary If we kept this large sum in our accounts the City Council would probably withdraw their funding and we would not be eligible for lottery funding. The Committee has suggested that a Trust Fund should be set up for the long term benefit of athletics in the City and South Cambs areas, including people

outside the Club. The chairman asked the members present to consider this. The Committee would discuss further and report back to the  $2005\ AGM$ .

**4. Secretary's Report** No Secretary's report. (The club had no elected general secretary)

**5. Treasurers Report** Copies of the report were circulated to the meeting. Mark Chaplin queried the figure spent on coaching. Could this not be paid out of the Investment account. The Treasurer reported that the accounts had been very healthy for the last 2 years but because there was no Wildlife 10k this autumn next year's accounts will probably be down by at least £2000. We receive a grant of £2000 a year from the City Council, but have been encouraged to apply for more. The subscriptions will be left unchanged for the next year

# <u>Item for AGM agenda - Proposals for the formation of "Cambridge & Coleridge Athletic Trust" (a registered Charity)</u>

As agreed at the last AGM, the committee have formulated a proposal for the formation of a trust fund using the money left to the club by a deceased member a few years ago. The reasons for this

proposal are clearly stated in the minutes of the 2004 AGM above. The motion to be voted on by the AGM is to establish (or not) the abovenamed Trust fund based on the following proposal.

# **Mission Statement**

- 1. To encourage the development of athletics in the defined area
- 2. To encourage the involvement of the public from all social and ethnic backgrounds in athletics as defined by the UK National Governing Body for Athletics.
- 3. To assist athletes in need.
- 4. To assist in the development of coaches by actively servicing their needs in relation to the development of athletic talent
- 5. To assist in the provision of athletic equipment to the highest safety standards.
- To assist in the improvement of existing athletic equipment particularly with reference to safety.
- To raise general awareness of athletics as defined above, by organising publicity, events and exhibitions.

# **Charitable Objects**

- 1. To advance for the benefit of the public in the defined area, the development of character, mind, mental coordination, self discipline and physical fitness through the organisation or provision (or assistance in the organisation or provision) of equipment which will encourage and enable such people to participate in athletics as defined above.
- 2. In the interests of social welfare to organise or provide (or assist in the organisation or provision of) equipment for participation in athletics, as defined above, with the object of improving the conditions of life for the persons for whom the equipment is primarily intended and either:
  - a. those persons have need of those by reason of their disablement, poverty or social and economic circumstances; or
  - b. the equipment to be available to members of the public at large through membership of an open club affiliated to the UK National Body.
- For public purpose beneficial to the community to promote, encourage, provide, enhance or maintain the safety of equipment in the defined area where athletics, as defined above, takes place.
- 4. Such other objects and purposes in the defined area being objects and purposes which are exclusively charitable in accordance with the laws of England and Wales.

# **Area of Benefit and Operation**

Individuals who benefit must be permanently resident (as defined by the National Governing Body for Athletics) in the area marked on the attached map, or hold 1st Claim membership with an open club providing support for a wide range of athletic activities and having affiliation to the UK National Governing Body for Athletics. The Clubs headquarters must be within a 3 mile radius of Great St. Mary's Church, Cambridge.

#### **Mode of Operation**

Make grants (including loans of money or equipment) to individuals

Make grants (including loans of money or equipment) to organisations (such as athletic clubs, schools)

#### Initial Funding

To be provided by the transfer of £30,000 from the Cambridge & Coleridge Club Investment Account.

## Trustees

The Trust should have a minimum of 5 trustees to be appointed by the Committee of Cambridge & Coleridge Athletic Club and each to serve for a maximum term of 3 years at which point they either stand down or are reappointed by the Committee. Casual vacancies are to be filled by the Committee as required. At least 1trustee and not more than 2 should be appointed by the Committee from outside the Club. Beneficiaries must hold 1st Claim membership with a club providing support for a wide range of athletic activities with open membership affiliation to the UK National Governing Body for Athletics and whose headquarters are within a 3 mile radius of Great St. Mary's Church, Cambridge.

#### Clubmark

With the assistance of Richard Wheater, who is the Partnership Development Oficer for athletics in Cambridgeshire, the club is attempting to be one of the first in the County to gain Clubmark

Clubmark is a sort of "Kitemark" for clubs who achieve certain standards in terms of social and sporting requirements, and most especially of child welfare. Clubmark will help us access available funding for club development.

To gain clubmark, we must have a formal Welfare policy as part of our constitution, so we propose to adopt the policy developed by UKA.

The aims of the UKA 'Athletics Welfare' policy are to:

- Ensure the highest possible standards of safety and welfare for all athletes of all ages and others engaged in athletics activities and events, especially children and vulnerable adults.
- Embed a process of continuous improvement in its ongoing work on welfare in the sport.
- Work with other agencies to ensure that quality assured training is offered to all staff or
- Adopt and promote good practice in the welfare and protection of athletes.
- Demonstrate ethical standards of leadership and behaviour.

To support the policy, the club will issue Codes of Conduct and "Job Descriptions" for Coaches and Team Managers, and Codes of conduct for athletes and parents: documents which are required by Clubmark. We hope to publish them in the December newsletter, and they will be closely based on the UKA Welfare policy and Codes of conduct.

# Do you hold a trophy from the 2004 AGM (not cross country)???

The club would like to remind the holders of Track and Field trophies and Road trophies presented at the AGM in November 2004, that they should be returned to Mary Holmes by 20th October at the latest so that they can be prepared for presentation at the AGM in November (not the Cross country trophies). It would be very helpful if you ensure that the trophy has been engraved and is cleaned. If you have a trophy to return, we suggest you make arrangements to return it to Mary Holmes or Neil Costello rather than rely on handing it to someone on a club night. Please do not leave it until the AGM evening – we cant clean them and sort them for presentation quickly enough on the night.

Would you like to help on the committee – could you be the club general secretary, a team manager, Child welfare officer, or do another of the jobs?? All nominations are welcome the officers positions should come up for formal elections each year. Many have been unopposed for several years, and while they do an excellent job for the club, it is not constitutionally desirable that they should just continue without a proper election. Could you give anyone a break, or help out alongside them maybe?

# Cambridgeshire AA AGM – 25<sup>th</sup> November - 7.30pm at Hemingford Grev House

It would be nice to see a few of the members in attendance, and not just the trophy winners and athletes who have been awarded colours. You don't need an invitation – just turn up.

#### Come and shift the Christmas Turkey and make room for more!

Why not have a gentle run out on Boxing day morning. The annual club event starts on Newnham Green in Fen Causeway, near the roundabout. All are welcome old and young and it can be a race (there is a trophy) or just a jog to shift the hangover or the Christmas Pud. The course is on the pavements to Trumpington War Memorial and back (back always seems easier) and is only about 4 miles. The start is at 11am - no entry fees - just turn up and run. Parents and relatives are most welcome as well. Last year the ages varied from 12 up to 65 but we have had members up to 80 running. It gives you a better appetite for lunch, so lets see you there this year.

#### **Road Running Bits**

It seems like the summer has flown by again, as usual, there has been lots happening in our section, the 5k evening league has come to a close with our girls coming out on top again. The men were placed second as they were last year. Our membership has increased again and it is good to see we have such a diverse group In terms of age and ability (we must be doing something right).

As most of you know Emma and Will have left us to move to Winchester, they are two runners

that have shown amazing improvement since joining us and lets wish them well for the future. This year has seen more of our members having a go at triathlons with Mike Smith, Cole Clissold and myself completing the London Michelob Triathlon. Andy Irvine competed in the Cambridge and Bedford triathlons and Cole Clissold and myself have just got back from a weekend in the Lake District, where we had entered the Hellyelyn triathlon. Unfortunately or fortunately I had to back out due to illness but managed to support Cole and run the last mile back to the finish with him. This event was amazing, consisting of a 1 mile swim in Ullswater Lake, a 38 mile cycle ride, including the three mile haul up Kirkstone pass, which finished off with a return run of 16 miles to the top of Hellvelyn Mountain with the first three competitors completing the course in under four hours! Cole found the main challenge cycling up Kirkstone pass without dismounting which he managed (whilst a large percentage end up walking) and any one who completes the course still running, as Cole did, deserves our praise. We really must try and get a good group up here next

Winter will soon be with us and for those who are competing in marathons early next year I will be organising Sunday training runs. We also have lots of races coming up; with the first frostbite league race at St. Neots on October 16th and the Hereward relay on November 27th. Those who require information on any of the above and would like to take part please let me

Finally, our Christmas party will be on Sunday 18th December at Jesus College if you would like tickets please contact Chris Brown.

Yours in running, Glyn.

## The tale of the Histon Fun Run team Tropy 2004: a tale to encompass all human emotions?

- Find out how a team called "Nigels Newts" didn't have a single Nigel in it!
- Find out how a team with an inferior result could win this coveted trophy!

The Histon Fun Run operated this year on July 8<sup>th</sup> (approx. 6 miles) on a slightly changed course so that it is now nearly all off-road, with the Male Vets doing us proud – Leon Stone 1<sup>st</sup>, David Mail 2<sup>nd</sup>, Alex Downie 4<sup>th</sup>, Gerald Meah 6<sup>th</sup> and Tim Long 7<sup>th</sup> – very solid. But the best story is about last year......

It all began when Nigel Burch noticed that team entries were being accepted, so Nigel, David Mail and Alex Downie (who takes full responsibility as author of this piece) entered themselves as "Nigels Newts". Whereupon Jo and Ish came on the scene, and Nigel with typical generosity tendered his resignation from the team in favour of Ish, whom he claimed would probably run faster. Thus the Nigel-less Newts entered the Testosterone fuelled fray (an illegal substance if levels are too high – was the drug squad there? Ed.) doing significantly well, and to their boundless joy being awarded the glittering team prize. However this was immediately disputed by Cambridge Triathletes, who had done more significantly well.

"Ah, yes", said the judges, "but we've worked it out on the basis of the Newts Vets places. Various Triathletes looked visibly distressed and unconvinced by this explanation, and I'm afraid that some anti-newt sentiment was expressed, but the decision stood.

So each Newt has proudly taken his turn to display the trophy over the year (sometimes even taking it out of its plastic bag!), and the cup was duly returned to the organisers, who said there would be no team trophy awarded this year .... I wonder why.

Ah – nearly forgot – Jo was the first woman last year (undisputed, not being a Vet or anything). Alex Downie

# Review of Summer 2005 Track and Field

# Southern Men's League

The team was 1<sup>st</sup> in one match, 2<sup>nd</sup> in 3 matches and 5<sup>th</sup> in 2 matches. The end result was 8<sup>th</sup> place of 25 in division 2 – one of our best recent results. The team still lacks the depth to cope with all eventualities, and the two fifth places were caused by absence of several key athletes on days when the opposition didn't have the same problem. However even in these matches the team scored quite well and was competitive.

# Southern Women's League

A good result for the season, finishing in 4<sup>th</sup> place in Div 3 North. The team has been gradually strengthening, but still lacks enough Senior athletes to field a full team.

Compared to the turn-out last year for the C&C/HAC composite team, this was a huge improvement, with the Under 15 part of the team largely filled. Well done.

# Eastern Veterans League

As in previous years, neither the Men nor the Women were able to fill all the events and so were not able to reach the League finals, but the Men's scores were definitely better this year. Those that competed enjoyed themselves, some set the odd age-group best, and the social aspect was as good as usual.

# East Anglian league

In the league we finished 2<sup>nd</sup> in the U15 Boys, 3<sup>rd</sup> in the Ladies, Under 13 Girls & U17 Men, 4<sup>th</sup> in U13 Boys, 5<sup>th</sup> in the Mens, and 6<sup>th</sup> in the U15 Girls...

All seven age-groups qualified for the finals, which were held at Cambridge on October 18<sup>th</sup>. In the finals, C&C finished 2<sup>nd</sup> in the Ladies and the U13 Boys, 3<sup>rd</sup> in the Men, the U17 men and the U13

In the finals, C&C finished 2<sup>th</sup> in the Ladies and the U13 Boys, 3<sup>th</sup> in the Men, the U17 men and the U13 Girls, 4<sup>th</sup> in the U15 Boys and 8<sup>th</sup> in the Under 15 Girls. The latter was very hotly contested and we still scored half what the winners got. In the ladies match we lost by just 5½ points, simply because Ipswich filled everything and we had two empty spaces in one event. Because the two races were not full, if we had athletes in them and been last in both it would have given us 11 points (and the trophy)!. The day gave several people a seasons or personal best, and there were several new athletes running. The League were very happy with our organisation of the match and send their sincere thanks to everyone who helped.

## **Eastern Young Athletes league**

Another good season, finishing in 8<sup>th</sup> position and qualifying for the Plate final. Turn-out has generally been good with the exception of the under 17 Women, where it has been disappointing.

In the Plate Final, C&C were 6<sup>th</sup> but the Under 17 Men won their age-group trophy. Turn out was especially poor in the Under 13 and under 15 age-groups, and that is very disappointing. The Under 17 Women who have struggled all season had a good turnout and scored well. Football was one of the main reasons – it is difficult to understand why athletes can't be loyal to C&C for the League finals when we accept that athletes will have football finals early in April clashing with early league matches.

Food for thought. If C&C had simply filled all the gaps, scoring one point in each, we would have finished 4<sup>th</sup> instead of 6<sup>th</sup>, and if we had filled all the events at the same average score per event which we had in the match, we would have been easily 2<sup>nd</sup> (and that doesn't allow for the points we would have taken off other teams scores!) Those athletes who did turn out, and all the team managers, were badly let down by those who didn't.

Is that situation acceptable, when the club has worked all season to reach a league final??

#### Sportshall athletics for Under 15's, Under 13's and under 11's.

The County will be running Sportshall Athletics competitions again during the winter season, and C&C hope to participate. The provisional dates are shown in the fixture list, but the December one could change .

# Our thanks to the University

On 23<sup>rd</sup> July a letter appeared in the Cambridge News slating the University for not allowing public access to its sports facilities, libraries and eating facilities. Luckily this was spotted by John Kazer, who wrote a succinct reply, extending thanks on behalf of the City clubs for the use of the University Athletics Track. Without this facility, C&C, Cambridge Triathletes, and many of the schools would have a training problem. John pointed out that hundreds of young people are able to use this facility during the year. Thanks John - we need to be grateful for the facility the University provides for athletics – some of us can still remember trying to get the local authorities to provide something similar, without success.
