Not every coach can make it every Saturday but there is always someone there, usually including some of the following: Mike, Noel, James, Richard, David.

Note – only clean non-marking trainers in the gym at Chesterton. Trainers worn outside must not be used. It's a good facility, but if we abuse it, we will lose it

Chair's chatter

Thank you to all who have helped the club to enjoy another summer season and congratulations, in particular, to the senior men who have regained their place in Southern League division 2 at the first attempt. Team managers, time-keepers, judges, scorers and coaches are the usually unheralded source of much of our success and I would likely to thank them, on behalf of the club, for all their hard work. Folks, your work is much appreciated, even though sometimes it doesn't feel like it!

There are two important organisational issues coming up in the next few months for discussion at the Annual General Meeting in November. This stuff often seems boring but it is important that we take it seriously. Firstly, we have rewritten the club constitution. There are no changes of principle between this new constitution and the old 1962, much amended version but it has incorporated the many amendments and has modified some processes in the light of current best practice. A copy of the new constitution is on the web site www.cambridgeandcoleridge.org.uk. Please look at it.

If you have any comments, please let me have them by writing to me at 118 Thornton Road, Girton, Cambridge CB3 0ND or emailing to info@cambridgeandcoleridge.org.uk. We need to agree the new constitution at the AGM and it is important to have any major suggestions available in advance so that the discussion can be well informed.

Secondly, we have changed the structure of the committee. This is consistent with the old and new constitutions and formally needs only to be reported to the AGM but the changes are significant and it is important we discuss them. The new structure will be put on the web site (it isn't there yet) and as with the constitution it would be helpful to have any comments in advance. There is also on more important development just starting, which may have big implications for us if it works. Monday 10th September was the inaugural meeting of what we hope will become the

first of a number of 'community athletics clubs'. The first club is being established in Cambourne and is the way C&C is trying to bring athletics to a wider group within Cambridge and South Cambs. Over 20 youngsters from local primary schools attended the first session and currently it is looking good. I will report on how this is going at the AGM.

Finally, the University of Cambridge has now submitted a planning application for floodlighting at the track. This was mentioned in the last news letter. If you haven't yet done so, please give your support to the application by going to the city planning web site. The application registration number is 07/0939/FUL. The case officer is Paul Johnson. You can indicate your support by registering it on the council website and/or writing to Paul Johnson at the Planning Department, Cambridge City Council. The Guildhall, Cambridge, CB2 3OJ. To register on the web site you need to do the following.

* Go to

http://www.cambridge.gov.uk/ccm/content/development-control/public-access-copyright.en

- * Scroll down the page and click "I agree" (if you do!).
- * Click "Application Search" on the left.
- * Type "07/0939/FUL" (no quote marks) into the box where it says "Application Reference", and click "Search" at the bottom.

 - There were no matters arising from the Minutes.
- 3. Chairman's Report

Neil Costello thanked all the volunteers, over 50 people, for all their hard work on Behalf of the Club. He then reported that the Club had now been given Club

Mark after much hard work by Noel and Richard.

We now have 500 members, about 450 of whom are competing

members. The Club teams have done well this year in the league and the various Championships. We won all the sections of the Frostbite League during the winter. The Club won the trophy in the Dales Bank holiday races. 97 people finished all 4 races – 30 of whom are members of C & C. We were short listed for the Club of the Year Award and Mike Smith was short listed for Coach of the Year. The Chairman offered his congratulations to all the award winners and helpers.

4. Treasurer's Report

The report was circulated to the meeting. Income rose from £12,800 to £18,200 this year. The fees for the use of the track and Chesterton Sports Centre went up, but there was a surplus of £1,800 for the year. Report acceptance proposed by Neil Costello and seconded by Ian McKay.

The University Track Management Committee have agreed a figure of £25 for a track card to enable club members to use the track at any time. Club would like to thank the University for this.

5. Subscriptions

Agreed to increase the subscription of £41 for Seniors and £31 for unwaged. We now have to pay £500 affiliation to South of England Athletic Association and East of England Athletics are now charging £300 plus £3 per club member.

9. Any other business None

There was no further business so the President thanked everybody for coming and congratulated the award winners.

Do you hold a trophy from the 2006 AGM (not cross country)???

The club would like to remind the holders of Track and Field trophies and Road trophies presented at the AGM in November 2006, that they should be returned to Mary Holmes by 20th October at the latest so that they can be prepared for presentation at the AGM in November (not the Cross country trophies). It would be very helpful if you ensure that the trophy has been engraved and is cleaned. If you have a trophy to return, we suggest you make arrangements to return it to Mary Holmes or Neil Costello rather than rely on handing it to someone on a club night. Please do not leave it until the AGM evening – we cant clean them and sort them for presentation quickly enough on the night.

Would you like to help on the committee or assist us with other things such as team management, coaching or officiating

could you be the club general secretary, a team manager, Child welfare officer, or do another of the jobs?? All offers are welcome - the club officers positions should come up for formal elections each year.

We always appreciate offers to help with team management both for T&F and Crosscountry. We try to have as many team managers as possible each working with one agegroup in a league to make it light work, but currently we need additional help with both Eastern Young Athletes League and East Anglian League. Please offer your services.

<u>Cambridgeshire AA AGM – Friday 30th November - 7.30pm at Hemingford Grey House</u>
It would be nice to see a few of the members in attendance, and not just the trophy winners and athletes who have been awarded colours. You don't need an invitation – just turn up.

Come and shift the Christmas Turkey and make room for more!

Why not have a gentle run out on Boxing day morning. The annual club members event starts on Newnham Green in Fen Causeway, near the roundabout. All are welcome old and young and it can be a race (there is a trophy) or just a jog to shift the hangover or the Christmas Pud. The course is on the pavements to Trumpington War Memorial and back (back always seems easier) and is only about 4 miles. The start is at 11am - no entry fees - just turn up and run. Parents and relatives of members are most welcome as well and age should not be viewed as a barrier to entry. W have had members up to age 80 running. It gives you a better appetite for lunch, so lets see you there this year.

There has been yet another big increase in the number of athlete/event entries this year, especially in the longer distance races.

Kevin Henry 5K League - C&C took the majority of the season's honours at the final 5K League fixture at Haverhill despite turning out the smallest teams. Quality overcame quantity as possibly our strongest female team of the year had no problem wrapping up victory. Emma Kreetzer won the race ahead of second-placed Karin Jordansen, but it wasn't enough to steal the series from Newmarket. By contrast, the seven-strong C&C men's team couldn't pack enough speedsters in, and, despite Pietro's race victory, only managed fourth(?) place. However, the men's series had been all but won beforehand, and was duly confirmed. The fantastic women's performance also wrapped up the overall championship for us, and Karin's consistent top placings deservedly won her the women's individual trophy. Three pots out of five not a bad summer's work. Well done everyone who turned up or lent a hand. (A Irvine)

This year we have again entered the Hertfordshire based Sunday League (there are no U13/U15/U17 age-groups in this league but athletes aged 16 and over can run as under 20's). John Kazer is the contact for those who want to run. This league offers more conventional crosscountry distances when compared to the Ryston Runners series. The intention is to try to grow the participation in cross-country racing, which has declined in the club in recent years. We shall also participate as usual in the Ryston Runners Grand Prix series and in the multi-terrain Frostbite league. Both of these have races for the younger age-groups.

All of the dates are now shown in the fixture list in this issue of the newsletter

Review of Summer 2007 Track and Field

Southern Men's League – Divisional Champions

Firstly - well done to the whole team for their promotion back to Division 2. The team continued its early season form in the 2nd half of the season, and ended the season officially unbeaten, and top of the Division 3N. That means that the team is back in its usual place in Division 2 next season where hopefully there will be some better competition. It was good to see the team strengthening progressively all through the season and provided we don't have too many not available due to University commitments early next season, we should do well. It was particularly good to see that in the final match at Peterborough the majority of our team were Seniors, with a few under 20's and only one under 17, so we are getting more depth now.

Southern Women's League

Despite winning their last fixture, the overall league position was not quite as good as last years, but still in the middle of the Division – we seem to have a severe shortage of U17/U20/Senior athletes willing to compete and so the team is mainly in the Under 15's category. That means we can not score more than half points in most fixtures. The home match was the exception when the turn-out for the senior age-group was much better, and the team got a big points score, but one match doesn't make a summer season! The team didn't travel to Hastings for the fixture there because there was only one athlete willing to go, and a clash with other fixtures so that accounted for most of the difference between last year and this year...

Eastern Veterans League

As in previous years, neither the Men nor the Women were able to fill all the events and so were not able to reach the League finals, but the Men's scores were definitely better again this year, and both teams only just missed out, finishing 9th. Those that competed enjoyed themselves, some set the odd age-group best.

East Anglian league - the men make it a double

A good season overall. In the league we won the Mens Trophy this year, for the first time for a few years now, so the Men did the double this season.

This year the turn-out of under 15 Boys in the August match rose from 2 to 4, and the 4 managed to finish 3rd in the match thanks to winning most of what they did.

We qualified for the final in all age-groups with the exception of the under 13 Girls, who had only 3 athletes in the August match and met strong opposition to finish in 7th place in that fixture which dropped them to 10^{th} in the league.

In the final the Under 13 Boys and the under 15 Girls were both 2nd, but the men couldn't manage a third Trophy finishing 4th just 5 points behind 2nd placed PAC.

Eastern Young Athletes league

Yet another good season, finishing in 9th position and qualifying for the Plate final. Turn-out has generally been good overall but a different age-group had a low turn-out at each match which dragged the overall results down.

In the Plate Final, C&C finished 6th overall, but won the Under 15 Girls age-group trophy and just missed out on the under 15 Boys. Well done to all the athletes and team managers who were there – it looks as though the summer holiday effect, when attendances at training by under 13's and under 15's were low, took its toll in the form of performances which were well below the athletes best in many cases.

It's a great pity that the turnout wasn't better in the other agegroups, particularly in the Under 13 boys – especially when you consider how many we have at Monday training.

It really isn't fair on the team managers who give up their time, and the coaches who are all volunteers, when athletes don't support the teams and their clubmates.

National Junior League - Team Cambridgeshire

A good number of our athletes competed for the Cambridgeshire clubs Under 20's team again this year. The team was in the Southern Premier Division – about as hot as it can get in that league and they finished 7^{th} after holding 6^{th} place for much of the season.

As a consequence they had to take part in the qualifier match for next season, and won that very easily over Basildon so they continue in the Premier Division next season.

Congratulations to Gemma Coe who was unbeaten all season in that league and of course all the other athletes who took part in one or more of the five matches.

^{*} The veterans age-group for Men was lowered to 35 in 2006 to align with the Womens age.

National Schools Championships – two medals by C&C athletes

There was silver for Lucy Dowsett in U20 Womens 800m and Bronze for Lauren Sammout in U15 Girls shot, Full details of all the C&C performances are given in the results section. C&C fielded 40% of the Cambs team (10 athletes) and also had one in the Suffolk team. Well done everyone – you are a credit to the club and your coaches.

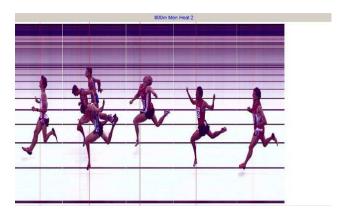

Lucy runs at the Crystal Palace Grand prix again

Lucy Dowsett was again invited to run in the "On Camp with Kelly" 800m race at the start of the London Grand Prix at Crystal palace this year and ran close to her personal best.

Ed selected for European Junior Championships

Ed was selected as the third runner in the 800m for the GB and NI team in the European Junior Championships at Henglo in Netherlands on $19^{th} - 22^{nd}$ July.

In his heat, which was a slow tactical race, Ed was leading at 600m, but with 3 automatic qualifiers he lost out in the final sprint by just $1/100^{th}$ of a second, finishing 4^{th} and missing out on a semifinal place.

Lauren hits National Gold at Sheffield

Lauren Sammout led the Under 15 Girls shot putt from round 1 at the England Athletics Under 15/U17 Championships at Sheffield, and eventually took the Gold with that first round putt of 11.29m (a new club record for the agegroup, taking the ~20 year old record held by Sarah McGrath.

Lauren also broke her own club U15 Discus record with 29.18m finishing 5th.

And can you imagine the pressure on her Mum, who hardly dare watch the other 5 rounds of the shot competition – that's real stress!.

National Silver for Ben

Ben Kelk ran a new PB at just the right time to claim the silver in the U15 Boys 80m Hurdles at Sheffield. His new time was 1.49 secs

^{**} Set competing in a Senior Womens competition

Hayley hurls herself to 5th and Csepi and Richard reach their event finals

Hayley Sayer returned from 3 weeks in USA in time for just one training session, and confirmed her ranking in the Under 15 Girls Hammer at Sheffield with 5th place and a throw of 37.43m Csepi Asztalos was 7th in the final of the U15 Girls 75m hurdles in a time of 11.87 (11.83 in heats) and Richard Oppong Konadu was 6th in the final of the U17 mens 400m with a new personal best 50.01.

Charlotte Cox – two silver and a Bronze in the DSE National Championships

A big well done to Charlotte Cox, who went to the Disability Sport England National Championships at Bl;ackpool, and won two silver medals and a bronze in her class for athletes with Downs Syndrome.

She ran 16.2 in the 100m, 34.2 in the 200m and jumped 2.37m in Longjump

Ian Williamson represents South of England in Senior Inter-territory match

Ian was selected to represent the South of England at 1500m in the Inter-territorial match at Birmingham on 15th July. Ian finished 3rd scoring valuable points to help the South to win the fixture.

Ian finished 5th in the 1500m at the Scottish Senior Championships at Scotstoun on August 12th.

Will Clarke – (and Rosie) - Triathlon World Championships

Will Clarke took an outstanding fifth place at the Triathlon World Championships in Hamburg. Finishing the bike leg in a large lead pack, Will broke clear during the run, but was eventually caught by a select group including winner Daniel Unger and World Cup leader Javier Gomez.

European U23 champion Rosie Clarke was in action in the U23 category, and underlined her promise by finishing fourth, just to outdo Will.

C&C beat Peterborough AC without setting foot on a track

Neil Costello, Chris Flood and Hayley Ginn scored a very narrow victory over a PAC team which included Femi Akinsanya, but it wasn't on the track or the road, but in the Radio Cambridgeshire studio. They had been invited to take part in a sports quiz, with the added benefit of a bit of publicity for the club but didn't know who they would be up against.

It went right down to the wire – a tiebreaker, and C&C knew the answer. Well done Neil, Chris and Hayley – they even coped with (I hestitate to say it) football questions.

Sportshall athletics for Under 15's, Under 13's and under 11's.

We hope that the County will be running Sportshall Athletics competitions again during the winter season, and C&C hope to participate. Provisional dates are 16th December at Chesterton and 20th January at St Ives.
