WINTER TRAINING - STARTS FROM 21st SEPT - SEE DETAILS ON PAGE 2

Winter training starts from September 21st – Note changes

We continue training all winter, even the track and field athletes! In January and February there will be some Indoor competitions for those who are fit.

- Young athletes summer training formally ended on Monday 14th September
- There will be a rest break for young athletes for two weeks before commencing winter training at Wilberforce Road track on 5th October with floodlights. The timing will be 6pm for Under 13's (years 6 & 7) and 7pm for Under 15's (years 8 & 9) as before (see note below about age-groups). Older athletes should not train during the Monday Young athletes sessions.
- From 5th October the age-groups become those for the 2010 T&F competition year, so everyone moves up a year, and this may influence the time at which your training session will be (2nd year under 13's now become first year under 15's etc). School years 6 & 7 will be at 5pm and years 8 & 9 at 7pm.
- Tuesday evening training for endurance runners and older athletes continues as normal at the track (without any break) and will be under floodlights this year. Note that Hammer, Discus and Javelin will not be possible – not enough lighting.
- Thursday evening training at the track finishes on 1st October and from 8th October there will be the usual circuit and fitness training for the T&F athletes and the endurance groups will then operate from Chesterton. No warming up in the foyer please.
- The outdoor floodlight training for Young athletes (Mondays) will continue until the end of October. From 2nd November Young athlete Monday training will move into the Chesterton Sportshall until mid February, when it will move outdoors again.
- Saturday morning training sessions will commence on 10th October 10am – 12.00 at Wilberforce Rd - Sprints, Throws, Jumps, Middle Distance – open to all ages by arrangement with your coach. If you want to train on any of these sessions either go along and talk to the coach who is running it, or, for Saturdays ring your coach or go along and see if there is a group for you (ages and events will be limited). Not every coach can make it every Saturday but there is always someone there.

Note – only clean non-marking trainers in the gym at Chesterton. Trainers worn outside must not be used. It's a good facility, but if we abuse it, we will lose it

Chair's chatter

The winter season is just about upon us and I think we can reflect on a successful end to the summer. The U17 men won their age group of the plate final in the Eastern Young Athletes League, and the Senior Mens team finished 2nd in the Anglian league final. The road runners won men's, women's and overall trophies in the Kevin Henry 5k League. Both men's and women's teams survived the Round Norfolk Relay (17 members in each team in a relay lasting over 24 hours – nobody said it was sensible) and the club's entry in Chariots of Fire won the mixed

category. There have also been some impressive individual results which Noel has listed later in this newsletter.

We have been awarded a number of significant trophies. Charlotte Cox was awarded 'Disabled Performer of the Year' in the Cambridge City Sports Awards. She was in competition with athletes from all sports across the city and did the club proud once again. Noel Moss was presented with the award for 'Services to Officiating' by England Athletics East Region. This is a much deserved award and recognises Noel's contribution for many years – it is not 'Official of the Year' but for services to the sport over more years than (I suspect) Noel cares to remember. England Athletics East also awarded the club 'Partnership of the Year' for its work in the Cambridge Festival of Running. This involved the 'Expo' and Cambridge Cambourne 10k earlier in the year and was carried out in partnership with South Cambs District Council, Cambourne Business Park and Advance Performance. The award was made for the contribution to community development and participation which the Festival promoted and it is good that these kinds of efforts have been recognised. Both the England Athletics awards will go forward for consideration at a national level later this year.

Members sometimes ask me why the club's subs are so high. Actually, I think they are incredibly good value at less than £1 a week and are lower than most equivalent clubs, which usually have a subscription and a track fee (collected for each session). A track fee is logistically impossible for us, given the open nature of the track. The subs are also significantly less per year than most gyms charge per month.

But enough of comparisons, what do they pay for? Our biggest cost is for facility hire at the track and Chesterton – around 37% of total expenditure last year. We then have affiliation fees (£5 per head to England Athletics plus flat rate affiliations to other athletics bodies), new and replacement equipment, courses for coaches and officials, costs associated with matches, such as first aid and starters' ammunition(!) and general administration. Transport to track and field matches is a major cost but we cannot avoid this if members (particularly young members) are going to have full opportunities to take part. Members get free entry into any team competition (lots of clubs don't do this), free coaching, subsidised entries into road races, discounts at sports shops, a heavily discounted track fee for use of Wilberforce Road outside C&C times and free use of all facilities.

I think that is a bargain and it is possible because the club is run entirely by volunteers. That may not be sustainable for ever but, happily, is possible now. As the summer season draws to a close I would like to thank all the club's volunteers (who are young and old with lots of different connections to the sport) for all their efforts. They do a wonderful job for the club and enable all of us to enjoy our membership. If you are interested in joining this happy band, please let me know and I'm sure a place can be found for your skills.

Neil Costello September 2009

AGM Agenda - November 23rd at 8.00pm - Venue - Wilberforce Road

Apologies for absence, Minutes of the meeting of 24th November 2008

Matters arising from the minutes

Reports from the Chairman and Treasurer (Team reports in this Newsletter)

Other items to report

Formal adoption of a definition of the quorum required for AGM/SGM voting

Subscriptions 2010

Any other motions tabled

Election of officers and committee 2010

Presentation of Track and Field awards, Road race awards, and record certificates.

Nominations for President, Chairman, and Treasurer must be received by 25th October in Order to be eligible. (ie 4 weeks in advance of the meeting as per the constitution)

Nominations for other posts may be made at any time up to the meeting, but we would prefer to have these a few days in advance if possible so that we know if there are any contested posts.

- The proposal for the definition of a quorum for AGM's/SGM's is 10% of the current membership or 30 members, whichever is the smaller. (i.e. 30 members would apply if the current membership exceeds 300)

Minutes of the 47th Annual General Meeting held on Monday, 24th November, 2008 at Wilberforce Road.

Present: Barry Wallman (President), Neil Costello (Chairman) and 74 members

Apologies for absence: Mark Chaplin, Marcus Ennis, Phil Garrett, Hayley Ginn, Ben Kelk, Wally Mitchell, Ann Negus, Roger Thurley, Joe Tucker and Matthew Witt.

1. The Minutes of the AGM held on 26 November, 2007 were approved, proposed by Nigel Bloxham and seconded by Noel Moss.

2. Matters Arising from the Minutes.

There were no matters arising from the Minutes.

3. Chairman's Report

Neil reported that the Club had won the England Athletics Junior Club of the Year for the Eastern Region for our work with long term coaching of young athletes. Femi Akinsanya won the award for Development Coach of the Year, James Brennan the award for Coaching Development and Neil the award for Club Development. Lauren Sammut was runner up for the Young Volunteer of the Year award. They were all put forward for National Awards – Femmi was nominated but did not get the award. C&C also got the Living Sport BBC Radio Cambridgeshire Community Club of the Year Award. This award is given for all sports not just athletics.

There is a steady increase in the membership – we now have 538 members of which 71 per cent compete in competitions.

We also have an increase in the number of coaches, especially young coaches.

We urgently need more match officials and team managers.

Neil thanked all the coaches and officials.

UK Athletics is proposing an Athletics Network and it is proposed that Cambridge should be one of these networks.

4. Treasurer's Report

The Treasurer's Report was circulated to the meeting.

Money spent on coaching was down this year as we had a big push on coaching last year. All coaching courses are paid for by the club. The accounts were accepted – proposed by Barry Wallman and seconded by Mary Holmes.

5. Subscriptions

There will be no increase in subscriptions this year.

6. Other Items to Report

There were no further items to report.,

7. Elections of Officers

President – Barry Wallman – proposed by Phil Bramford and seconded by Noel Moss

Chairman – Neil Costello – proposed by Noel Moss and seconded by Glyn Smith

Treasurer – The Treasurer was retiring so the Committee put forward Chris Flood as

Treasurer. There were no further nominations so Chris was elected – proposed by Glyn Smith and seconded by Alex Downie.

Committee Secretary – Mary Holmes – proposed by Noel Moss and seconded by Glyn Smith

Portfolio Holders – Coaching – James Brannand, Track and Field – Noel Moss

Endurance – Adam Poole, Young Athletes – Anna Bird

Committee Member without portfolio – Hilary Vogel

(for information the following were co-opted to the Committee subsequently –

Grace Clements, Brian Corbett, Martin Crabb and Matt Witt)

Barry thanked Neil and the 2008 Committee on behalf of the Club

9. Presentation of Track and Field Trophies

The awards and certificates were presented by the President Barry Wallman.

There was no further business so the President thanked everybody for coming and congratulated the award winners.

Greater Cambridge Athletics Network

You should have heard about the proposal for a Greater Cambridge Athletics Network in previous newsletters or by email. The Network has now been established, a contract has been signed and funding of over £100,00 over three years provided by England Athletics, subject to performance indicators. The funding is part of a sponsorship deal with McCains chips. The Network has appointed an 'activator' to move its plans forward. She is June Swift and will be starting her job at the beginning of October. June was previously a Club and Coach Support Officer for England Athletics in the North of England and we are delighted to welcome her to Cambridge. She is also an international athlete for biathlon. You are likely to meet June around the track or at athletics events in the region over the coming months.

The Network has ambitious aims: 'To provide excellent services and facilities, for coaches and all levels of athlete in the Greater Cambridge area, which are easily accessible and adopt best practice. Through this to increase the skills of coaches and their enjoyment, to increase the numbers of coaches and to increase participation in athletics and the retention of athletes in the sport.'

It will attempt to fulfil these aims primarily through coach development, which will then feed into opportunities and better coaching for athletes. Coach development depends in part on appropriate facilities and sources of expertise. There are plans to set up a High Performance Service providing facilities via suppliers in the city and sub-region. Greater Cambridge has lacked facilities which are taken for granted elsewhere. We hope to develop service level agreements with a number of suppliers including scholarships, or free support for elite athletes, discounts for non-elite athletes and training days for coaches and athletes. This will include development days, the use of excellent coaches from elsewhere and mentoring – local coaches acting as a mentor and receiving mentoring.

The network will identify athlete development pathways for a number of categories of athletes: elite athletes, non-elite and new participants. For track and field athletes, definitions of elite, non-elite etc. will be made in relation to 'Power of 10' criteria. Progress of athletes outside 'Power of 10' criteria, and in, for example, road running, will be defined in relation to age-related and gender related percentages. We also hope, in the longer term to provide better competitive progression as part of the development pathways. This is likely to involve discussion about eligibility rules to enable athletes to take part in appropriate competitions, potentially composite teams and the creation of new competitive opportunities.

This is an exciting development and has the potential to make step changes in athletics provision in the area. If you would like to know more about the Network, please get in touch with Neil Costello.

Do you hold a trophy from the 2008 AGM (not cross country)???

The club would like to remind the holders of Track and Field trophies and Road trophies presented at the AGM in November 2008, that they should be returned by 19th October at the latest so that they can be prepared for presentation at the AGM in November (not the Cross country trophies). It would be very helpful if you ensure that the trophy has been engraved and is cleaned. *If you have a trophy to return, we suggest you make arrangements to return it to Angela Young or Neil Costello rather than rely on handing it to someone on a club night.* You can contact Angela on a_young690@btinternet.com to arrange to pass them back.

Please do not leave it until the AGM evening – we cant clean them and sort them for presentation quickly enough on the night.

Would you like to help on the committee or assist us with other things such as team management, coaching or officiating

could you be the club general secretary, a team manager, Child welfare officer, or do another of the jobs?? All offers are welcome – the club officers positions should come up for formal elections each year.

We always appreciate offers to help with team management both for T&F and Crosscountry. We try to have as many team managers as possible each working with one agegroup in a

league to make it light work, but currently we need additional help with both Eastern Young Athletes League and East Anglian League. Please offer your services.

Cambridgeshire AA AGM – Friday 4th December - 7.30pm at Hemingford Grey House

It would be nice to see a few of the members in attendance, and not just the trophy winners and athletes who have been awarded colours. You don't need an invitation – just turn up.

Come and shift the Christmas Turkey and make room for more!

Why not have a gentle run out on Boxing day morning. The annual club members event starts on Newnham Green in Fen Causeway, near the roundabout. All are welcome old and young and it can be a race (there is a trophy) or just a jog to shift the hangover or the Christmas Pud. The course is on the pavements to Trumpington War Memorial and back (back always seems easier) and is only about 4 miles. The start is at 11am - no entry fees - just turn up and run. Parents and relatives of members are most welcome as well and age should not be viewed as a barrier to entry. We have had members up to age 80 running. It gives you a better appetite for lunch, so lets see you there this year.

Road Running Bits

Fun Run Roundup: “Ain't No Cure For The Summertime Blues.” Alex Downie

Summer's here and the living is easy, and for us road runners it brings a veritable crop of fun runs. Leaving aside the highly debatable contention (for which I personally have a great deal of sympathy) that the words “FUN” and “RUN” don't belong on the same page as each other, let alone be placed next to one another, should we be elated or should we be worried?

Well, it all depends on how you view them. They tend to change course quite frequently (though hopefully not DURING the race), eg Sawston Fun Run, Sutton Feast Beast, Histon Fun Run (often aided and abetted by one D. Mail). This obviously makes year-on-year comparisons difficult, if not hopelessly inappropriate, whilst at the same time providing variety and spice to the race.

At Sawston, where the fancy dress runners/walkers are released ahead of the main race, you have the added delight of negotiating small excited children wandering about unpredictably in front of you, often waving buckets or other large objects at about knee height. It is not a dull race.

Fun Runs also tend not to have distance markers, though Sawston does have an infamous 1st mile flagged up at a point which I seem to reach in something like 5min 30.....Total race distance is not usually accurately measured, and indeed at the Histon Fun Run it almost seems to be a matter of local pride that no-one actually knows its actual distance, perhaps out of fear for spoiling its mystique.....?

You may find that water stations are thinner on the ground than in other races, and bearing in mind that this is the allegedly hot time of year, this may be a problem.

The number of prizes can be idiosyncratic, and the quality of field variable. Of course, if it is too easy, club runners can be accused of “pot-hunting”, but then again, if there are wide age-categories, prizes may prove elusive.

Girton Feast ran a 5k for the first time this year, and seemed to get most things right, attracting a quality field, though the prospect of free beer at the end may have helped!

Questionable and Quotable Quotes

Continuing his quirky occasional series of observations on running matters, Alex Downie turns his attention to the Wibbly Wobbly Log Jog.

First the quotable quotes from the runners taking part this year:-

“I could put a tent here, or even a static caravan, and be very happy – as long as the showers worked!” – Tim Long.

“Impenetrably dark in places!” – Carmel McEneiry.

“I still really don't like this race!” – Mandy Lasseter.

“Not nearly filthy enough!” – Andy Irvine.

“Another runner said as we raced that we've been going down for an awful long time, which probably means that there's a lot of up to come. She was right!” – Carol Stanier.

“I enjoyed keeping company with the ladies at the back!” – Phil Garrett.

“A magical fairytale in the ferns – but tough” – Fiona Downie.

A spokesperson for John Kazer said he was unavailable for comment.

“An even better course than last year, with seemingly fewer hills and more wibbly wobbly wiggly jiggly bits” – Alex Downie.....at least that 's what I would have said to the Race Organiser as he shook my hand at the end of the race, had I had a brain, which begs the question (assuming I had a brain at the start) what happens to our mental processes during a race?

The previously unavailable John Kazer later adds “The trees and roots along the course make this into a natural slalom course for the runners. It's great fun stumbling through puddles, scrambling over roots and avoiding branches.”

Well I guess it's what's called “Race Focus”- a constant dialogue between the brain and the many reluctant bits of the body which protest like mad when we demand great things of them during the course of the race. Most of our mental activity consists of everything in the range of persuasion from gentle suggestion, pathetic wheedling, bluff and bluster, and finally outright bullying!

There follows a (highly questionable) argument between the overworked brain and the overheated body of a hypothetical runner, not dissimilar to your correspondent, attempting to run the Log Jog.

Brain(B): C'mon legs, you can go faster than that!

Legs: We can't, we're not trained up for this.

B: Yes you are, remember what Neil, Alan and James have told you! [desperately hoping that Legs wouldn't ask for too many details!]

Right Leg: [whining] I haven't done enough miles for this sort of thing!

Left Leg: And I've done too many miles; I am tired, I am weary, I could sleep for a thousand years.

B: Oh stop moaning you two; just connect with the core.

Legs: How can we? Remember you gave up pilates classes!

B: Good grief, just get a move on! Look, there's an easy downhill bit coming up.

General Secretary of the Union of Pores and Sweat Manufacturers Incorporating The Epidermis [UPSMITE]: My members have informed me that they are completely overloaded, overworked and underpaid, and are forthwith unfortunately going to have to withdraw their labour.

B: Look, if you do that sort of thing, I will stop hydrating altogether, and my only fluid intake will be coffee and beer! [not altogether bluffing.] And anyway, there's a nice shady bit of forest coming up.

UPSMITE: I will take that reply back to the membership and you can be sure that a response will be forthcoming.

Eyes and Nose: Brain, we have a problem.

B:[thinks: these guys are beginning to sound like astronauts on Apollo 13]. I don't usually hear from you two on a run; what's wrong?

Eyes : Well, it's all these branches and leaves that keep smashing into our face. It's downright dangerous!

Nose: And I have sustained a significant scratch on my left flank, which will require urgent medical attention!

B: OK, I'll send urgent messages to Fingers, Hands and Arms to do a more effective job over there. Don't worry.

Lungs: More air!

Heart: More blood now!

B: OK, I hear your concerns. I feel your pain. I fully empathise. But look here, guys, you know it's me that's in charge, and I say it's full speed ahead. There's a bloke up there in front and I want you to power me past him, so just get your act together, tweak everything up to maximum, and fly on for glory and for Club! And remember your race time will be found out by The Mighty Webmaster, and published on the Club Website for all to see, so it had better look good!

.....And so it goes on. I'm suggesting that in perhaps 99% of races/training, some sort of dialogue like this goes on. Where the reluctant body bits win out, this equates to “losing the will.”

We find it almost impossible to go any further or faster, the slothful tendency has won the argument with the brain, and that pretty much is that. Just occasionally, maybe one run out of a hundred, we don't have this dialogue at all, and everything is wonderful. Phrases to describe this glorious state are "we've got wings" or "we're in the flow". We feel strong, fast, powerful....invincible, even – if it ever happens to you, treasure it!

Chariots of Fire

Glorious sunny morning for the annual Chariots of Fire Relay with many C&C members taking part. The C&C Mixed team took top spot in their category and were fifth overall, with an (official) time of 57:06

Round Norfolk Relay

The Round Norfolk Relay is literally what it says, starting Saturday very early and finishing Sunday around 10am with 17 stages of varying length. C&C had two teams running, one male, one female. Results are as follows (more details in the results section):

Overall (all classes) - 55 teams, winners Norwich

Road Runners A - 20:31:42

24th - C&C A (male) 25:15:33 53rd -

C&C B (female) 28:27:52

Open Class (no restriction on team content) - 20 teams. 16th - C&C A 25:15:33

Ladies Class (female only!) - 5 teams, winners City of

Norwich 25:27:20 5th - C&C B 28:27:52

A few photos above – many more on the Endurance website - <http://ccac.aci-net.co.uk>

Cross Country

This year we have again entered the Hertfordshire based Sunday League (there are no U13/U15/U17 age-groups in this league but athletes aged 16 and over can run as under 20's). John Kazer is the contact for those who want to run. This league offers more conventional cross-country distances when compared to the Ryston Runners series. We shall also participate as usual in the Ryston Runners Grand Prix series and in the multi-terrain Frostbite league. Both of these have races for the younger age-groups and we would like to see more younger athletes participating..

Unfortunately an initiative to start a Cambs Cross-country league fell by the wayside because of a lack of volunteers for the management group, although most clubs were keen.

We would also like to have a better turn out in the Cambs Cross-country championships this year, especially in the younger age-groups – there are medals to be won for both individuals and teams so its worthwhile entering – you could get a team medal even if you are not an individual medallist.

All of the dates are now shown in the fixture list in this issue of the newsletter and a championships entry request form is also enclosed for those who want to be entered for any of the team/individual championship events.

Review of Summer 2009 Track and Field

More National medals for Charlotte

Yet more congratulations to Charlotte Cox, who went to the Disability Sport England National Championships in July at Blackpool again this year, winning gold in the 200m and silver in the 100m.

Charlotte also competed in the Special Olympics in Leicester. The Special Olympics was a festival of sport over 7 days, 19 regions competed in over 21 sports with 1200 coaches, 1500 volunteers and 2700 athletes.

Charlotte went as part of the Eastern Region Squad and competed in the 100m (winning Gold) the 200m (Silver) and the 4x100m Relay (Silver).

This event was a culmination of a great season for Charlotte which started with the Mencap National Championships in Watford in late June, winning gold in the 100m and Silver in the 200m.

The Special Olympics held in Leicester was a festival of sport over 7 days, 19 regions competed in over 21 sports with 1200 coaches, 1500 volunteers and 2700 athletes, a fantastic

experience for those involved. Charlotte went as part of the Eastern Region Squad and competed in the 100m (winning Gold) the 200m (Silver) and the 4x100m Relay (Silver).

Southern Men's League – 13th in Division 2 (25 clubs)

The men achieved a good result this year after having an up and down season.

Having won their first match at home and beaten one of the clubs who eventually gained promotion, the team was short of distance runners for the next two away fixtures and had to settle for 4th place in both.

In the fourth match, there were more athletes around again and the team came 2nd, missing a win by just two points. The fifth match at Guildford was another where we had no sprinters available and some other key athletes missing and the team was 5th.

In the last fixture at Basingstoke, there were more athletes available but still some notable gaps in the team, but a 3rd place made the season completely safe.

Notable consistent results during the season came from Sam Richards (LJ/TJ), Alex Boyce (PV), and at the last match 16 year old Martin Lawrence is to be congratulated for his 10.78m shot put – his first with the Senior implement in competition. Ben Davies and Ben Kelk, also 16 years old also made major contributions to the season.

Southern Women's League – 16th and last in Mixed Div 1

This year the women were in Division 1 (really Div 2 because there is a Premier Division) of the U15's and Seniors league. The SWL now also have a Seniors only league and because clubs are moving over to that, we unexpectedly found ourselves promoted from Div 2 North to Div 1 for 2009.

Turn-out was low possibly because fixtures were mainly around or well south of London and we had to withdraw from the match at Abingdon because there were no athletes wishing to go. That means the team will be relegated again to the lowest Division for 2010 which hopefully will be a more local Division.

We will also have to consider if C&C would be better in one of the Seniors only Divisions if there is a North of the Thames Division – Last year they had planned to do that but changed it at their AGM and didn't have regionalised divisions.

Carl Woolf has decided that 2009 was his last year as the SWL team manager, so we will be looking for a volunteer/volunteers for 2010. The club thanks Carl for his efforts and for putting up with the poor turnout of athletes for so long.

Eastern Veterans League

As in previous years, neither the Men nor the Women were able to fill all the events and as a result the Men didn't reach the league finals, but the Womens team did in 8th place.

East Anglian league

A good season overall. No trophies in the league this year but C&C qualified for the final in 5 age-groups, the exceptions being the under 13 Girls for the 3rd year in succession, and the Under 15 Girls for the 2nd year in succession although it was close.

The Senior Men finished a very close 2nd to Ipswich, Under 17 men were 4th but only 4 points behind 2nd place, Under 13 Boys were 5th, Senior Ladies were 6th in a very tight match, and the Under 15 Boys were 8th due to a low turnout because of football.

Eastern Young Athletes league

A much better season this year, finishing in 11th position and reaching the Plate final. Turn-out has generally been better this year but team managers have still struggled to fill the teams – surprising really when you consider how many athletes we have as members – we should be able to comfortably fill two or three teams!

In the Plate final which we hosted at Cambridge, C&C were as usual affected by the Under 13's and under 15's football – a pity really after working all season to reach the final. The team finished 6th but the scores were very close (winners 478pts, 6th 417 pts), and the Under 17 Men won their agegroup, and have a trophy to show for it.

Anna Bird has decided to hang up her clipboard after a long spell overseeing the EYAL team, and that honour now goes to Martin & Mandy Crabb who have gradually taken over during the season. Anna was presented with a gift and card as a thankyou for what she has done over several years.

National Junior League – Team Cambridgeshire

The composite team in the national Under 20's league made up from C&C, Hunts AC, PAC and NVH. A good number of our athletes competed for the team again this year.

The team was in the Southern Premier Division – about as hot as it can get in that league but sadly they finished 8th this year and are relegated to the Thames division next year.

The Thames division is still quite good competition, being mainly composite teams like the Cambs team, but it should be easier to be amongst the top clubs.

Nigel Faben is retiring from the team management next year and Cambs AA are looking for a new team manager in order to keep this team going. Its not something that the current Cambs committee members can take on as they all have other roles, so if you are interested please volunteer.

Some new club records (up to 20th September)

Congratulations go to the following:

Lucy Dowsett	Sen Womens 400m	56.59**
Lucy Dowsett	U20 Womens 800m	56.65
Lucy Dowsett	U20 Womens 800m	2.07.26

Ed Aston	Sen Mens 800m	1.48.22
Ben Kelk	U17 Mens 400m Hdls	54.94

** Set competing in a Senior Womens competition

* Set competing in an U20 competition

National Schools Championships – a bronze for Ben Kelk

There was a bronze medal for Ben Kelk in the 400m Hurdles at the National schools.

Ben then went on to take the Silver medal in the 400 hurdles at the UK school Games this year.

Sportshall athletics for Under 15's, Under 13's and under 11's.

The County will be running Sportshall Athletics competitions again during the winter season, and C&C hope to participate. Provisional dates are 12th December at Chesterton (10am – 1pm) and 9th or 10th January at Bushfield (Peterborough) (1pm – 4pm)

We need offers for people to act as team managers for these events (support will be given).
